TIME: The 1977-1978 School Year

SETTING: Jackson Center High School
Jackson Center, Ohio

The stage is any space where the action of a play can take place. It is not necessarily the raised platform at the end or at the side of a gym.

Stages, like people, come in all sizes and shapes. Our stage is Jackson Center High School

THE STAGE

PROLOGUE

Each and every person you see in this yearbook has a character, a character that distinguishes him from anyone else. If by chance, you see an actor caught off guard and out of character, don't be surprised, for the best expression is one unrehearsed.

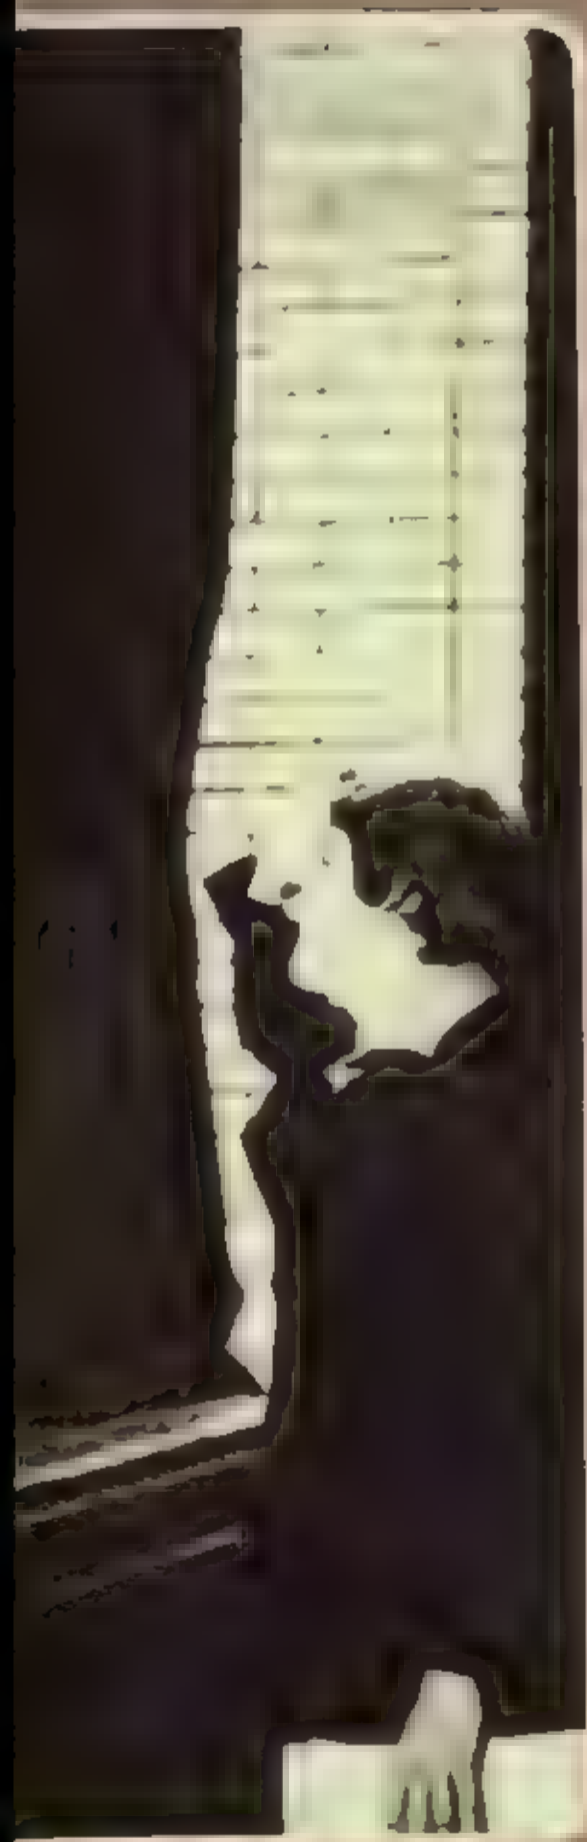

*Every man has three
 wives: his mother, his
 mistress, and his
 conscience.*

This year's class of 1978 began school in the fall of 1965. They were the first class in our school's history to have Kindergarten and attend school a full thirteen years. They were also successful in raising money. The class raised close to \$5,000.00 preparing for their class trip to Daytona, Florida. Some of their projects through the years have been bowl-a-thons, bake sales, car washes, and most importantly the magazine sale, where the members of the class sold approximately \$7,000.00 worth of magazines to the citizens of Jackson Center.

Senior year is one of mixed feelings. We can't wait to graduate, and yet we are afraid at the same time — not knowing what roles the future holds for us. Whatever it is, we will fulfill our roles, just as we did here as the "Stars" of Jackson Center High School. We face a new role in an un-named play — a play with the ending unknown until the final curtain

SCENE II

In the supporting cast the actor's work begins as he explores the environment in which he finds himself and the character he is playing. The supporting cast is constantly growing and maturing, trying to find their roles in life. As they watch the stars, they realize they are there to make the star's role complete. But they also realize that someday they will be the stars.

"Building a Bridge"

A pilgrim, going a lone highway
Came at evening, cold and gray
To a chasm, deep and vast and
wide.

The old man crossed in the
twilight dim.

The chasm held no fears for him
But he paused when he reached
the other side

And built a bridge to span the
tide

"Old Man," said a fellow pilgrim
near.

"Why waste your time in building
here?

Your journey ends with the close
of day

You never again will pass this
way.

You've crossed the chasm deep
and wide

Why build ye here at eventide?"

The pilgrim raised his old gray
head.

"My friend, in the path I've
come," he said.

"There followeth after me today

A fair haired youth who must
pass this way

The chasm which held no fears
for me

To the fair haired youth may a
pitfall be.

He, too, must cross in the twilight
dim

My friend, I am building this
bridge for him."

I really liked the 7th Grade this year. We did a lot of things.
We really had fun in Ms. Cunningham's class. Our 7th
Grade presented a Christmas play for the elementary school
and it was a great success even though the Christmas tree fell
down.

Mr. Pirman took us to the Ohio Historical Center in
Columbus and I think we all enjoyed it.
The members of our class enjoy athletics, especially
basketball and playing dodgeball in gym class.

STUDENT LIFE

STUDENT COUNCIL

The Student Council was very active this year. There were 2 representatives from each class three exchange students, and the officers, who were: President Kay Klopfenstein, Vice-president — Jeff Wren, Secretary — Mary Homan, and Treasurer — Nancy Johnston

Some Student Council activities were painting the restrooms, a pig kissing contest, the cutest baby contest, homecoming, and a spirit dance.

"PAUSE" STAFF

"Pause" Editors — Dana, Monica and Gladys

Producing a school newspaper isn't as easy as it seems, and due to a small staff we didn't get as many editions out as we would have liked. We were especially proud of the editions we did produce.

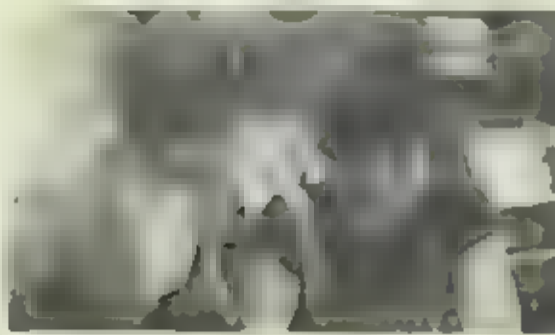

"Pause" editors were Dana Snider, Monica Cagle, and Gladys Gerber. Advisors are Mrs. Shoffstall and Miss Newlon.

Our "Pause" editors also prepared articles for "The Advertiser" this year.

Back — Monica Cagle, Dana Snider, Gladys Gerber. Second row — Janet Shady, Sandy Zimpfer, Kathy Kosse, Darcy Richardson, Michele Huffer, Betty Byrd, Missy Burean, Valerie Wright, Kay Klopfenstein, Nancy Johnston, Jim Maxwell; First row: Miss Newlon, Mrs. Shoffstall.

ANNUAL STAFF

Mrs. Sailor and Dana

Time, patience, satisfaction, enthusiasm and anticipation are all words that exemplify the feelings of our '77-'78 Annual Staff. From the beginning to the end, this book you are reading contains each of the above words. Working as hard as we do brings us closer not only to each other but to our readers. Mrs. Sailor without whose help this project would not have been possible. Our Editor, Dana Snider and Steve Zimpher would like to thank her for all the time and help she put forth. Our Assistant Editor was Bev Steenrod and Business Editors were Kent Gorsuch and Terry Johnston.

This year began a concentrated effort by F.H.A. on all 3 levels — local, state and national — to change the image of the organization. Many changes have been implemented: 1. The idea that F.H.A. is a group of girls cooking and sewing is on its way out!; 2. F.H.A. has become service oriented; 3. F.H.A. strives to offer services to charities and some of our dues go toward international charities and research. Our biggest charity is Children's Hospital. Our new yearly project is the Cystic Fibrosis Bike-a-thon. Last year, with the help of the good people in our school and community we raised over \$730.00. We also help with the Cancer Fund Drive.

VOICE OF DEMOCRACY

Sponsored by the VFW, this is a contest in which you present a speech on "My Responsibilities As An American." First place went to Dana Snider. Gladys Gerber was runner-up. Dana's speech went on to District Competition, where he received second place, over a total of 628 other speeches. It is the first time a student from Jackson Center has ever placed in District.

OFFICE HELPERS

Each Senior member of the Office Practice class devoted one of their study hall periods this year to working in the high school main office. The girls served as receptionists in the office and performed various duties such as greeting the public, answering the telephone, typing material from the office, and running errands for Mrs. Mann and Mr. Hunter. This was a learning experience for the girls as they will encounter similar duties in their future years as secretaries.

Shelly, Lori and Ruth helped to compile absence lists.

Teresa and Kathy assisted as file clerks.

Lori, Darcy and Patty were office receptionists.

Lori, Cathy, Shelly, Maria, Kay, Kipp, Lynn, Ruth, Nancy, Betty, B., Kari, K., Jo, Sandy, Z., Lynn, B., Kay, M., Joe, Miller, Lisa, Vanhoose, Patty Miller, Darcy Richardson, Lori Bodimiller, Janet Shady.

Kerry Scoggin and Janet Shady sorted and distributed the daily mail.

AS SCHOOLS MATCH WITS AND ACADEMIA

The Academia Team consists of the ten best academic students in the high school who must have the best scores on a pre-season test given by Mrs. Neeley.

The team had six matches this year. Having a young team this year, it was considered to be a building year.

Match questions are selected from 8 subject areas — science, math, language arts, general knowledge, vocational, current events, social studies, and fine arts.

The As Schools Match Wits Team played Miami-Valley High School. The match was taped November 19, 1977 at Dayton Channel 22 and was shown on Sunday, December 11, 1977.

SCIENCE CLUB AND SCIENCE FAIR

Tammy Maxwell was awarded the trophy for the best project in the Physical Sciences.

Amy Korn and Steve Boyer were awarded trophies for the best project in the Biological Sciences.

On Sunday, March 15, 1978, the Science Club sponsored its annual Science Fair in the high school gymnasium. Ten students earned superior ratings, six of these students went on to earn superior ratings at the District Science Fair and two students,

Amy Korn and Steve Boyer, received superior ratings at the State Science Fair.

Mrs. Wildermuth is shown awarding the trophy for the best project in the physical sciences to Tammy Maxwell.

ART CLUB

The Art Club sponsored an "Art Student of the Week" display to celebrate Youth Art Month. We also visited the Columbus College of Art and Design and the Ohio Governors Youth Art Exhibition in Columbus. Some projects were the painting of Tiger's Paws in the hallways and on the sidewalks, and the setting up of the J.C.H.S. Exhibit in the Shelby County Art Show at Piqua and the annual Afternoon With the Arts show in the gymnasium. Art Club advisor is Mrs. Sailor. Officers were Nancy Johnston, President, Bev Steenrod, Vice President, Amy Korn, Secretary, and Sandy Zimpfer, Treasurer.

It was a very busy, active year for the squads, beginning with camp at Kenyon College where the squads earned one outstanding and three superior ratings. Highlights of the year were: decorating team members' and coaches' houses; slumber party at Mrs. Pirman's; preparing breakfast for the team; many skits and activities for the pep rallies and, of course, cheering at the games. All in all, a fun and worthwhile year.

HOMECOMING '78

On Friday, January 13, amid cheers, tension, and excitement, Michele Huffer and John Weddie were announced Homecoming Queen and King for 1978. Class attendants were: Kathy Kossel and Mark Bunke, Senior Class; Shelly Morris and Tim Rostorfer, Junior Class; Ann Leininger and Mike Wildermuth, Sophomore Class; and Beth Sailor and Danny Sosby, Freshman Class.

HIGH SCHOOL CROSS COUNTRY

The Cross Country Team finished 5th in the Shelby County League. Donnie Sosby qualified for District competition. The team, in its first year, was proud of its .500 record. Coach Harmon is optimistic for next year, with 6 of 7 team members returning.

The Boys Basketball program continued on the upswing in 1957-58. Kreg Huffer was once again the leading scorer and rebounder with averages of 23 and 11 respectively. The Tigers won 2 tournament games and lost in the district semi-finals on a 35 foot "slop" Shot. Normal progress should see the Tigers with winning seasons in the coming years.

This year's season record was 11-11

GIRLS BASKETBALL

Poor weather conditions played havoc with scheduled practices and games this year — 5 were eventually cancelled.

However, once the season got rolling, the team won four out of their last six ballgames and advanced to the district semi-finals where they lost to Fairlawn 45-43. The overall record for the season was 6-10, with 5 of these games being lost by a total of 10 points.

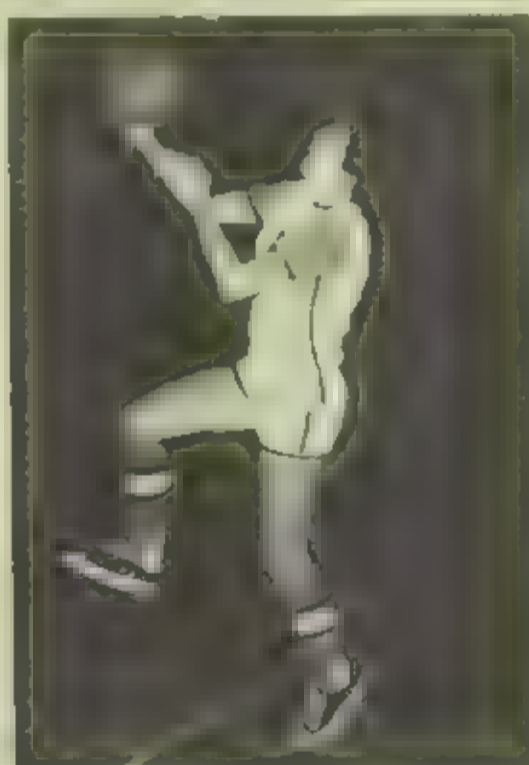

Being a young team with only two graduating seniors, the hopes are high for a successful season next year.

JUNIOR HIGH BOYS' BASKETBALL

The 8th Grade Team was very successful this year. They were undefeated in the Shelby County League and received a trophy. Jeff Poppe was leading scorer and John Homan leading rebounder. Gary Mullen and Kent Cagle also made significant contributions to the team's fine efforts this season. The 7th Grade Team finished with a 6-4 record and was runner-up in the Shelby County Tournament.

With only one senior returning from last year's squad, the golf team was very young and was hoping to rebuild by gaining some match experience. The team worked very hard in practice and played a lot of matches early in the season. The hard work paid off as the team compiled a 16-3 match record and went undefeated in the County league and tournament to win the Shelby County Championship. Senior Kerry Scoggin closed out a fine career by setting a school 18 hole scoring record (78), winning the Shelby County individual championship, and qualifying for the District Tournament. Kerry was selected as the Most Valuable Golfer and Kent Gorsuch was selected as the Most Improved Golfer.

The Junior High Girls' team had a fantastically successful season. They were undefeated in all meets and finished off the season by rolling to 117½ points in winning the County Track Meet. Individual standouts were Shawn Morris in the 100 yd. dash and long jump, Melody Brenner in the 220, Gail Meyer in the 440 yd. dash, Jodi Sosby in the 880 yd. run, and Lisa VanHoose in the mile run. Laurie Detrick provided a strong effort in the relay races and Becky Metz was outstanding in the discus as was Julie Vetter in the shot put and high jump.

Kelly Richardson passes off to Shawn Morris during the 880 relay.

The Junior High Boys' Track Team won dual and triangular meets and placed 2nd in two other triangular meets. Outstanding individuals were Floyd Stevens in the sprints, Kent Cagle in the distance races, John Homan in the shot and discus, and Gary Mullen in the pole vault and high jump. They placed 5th in the County Meet, two points away from 4th. The teams were coached by Mr. Pirman.

NATURE'S PRODUCTION...

THE BLIZZARD OF '78

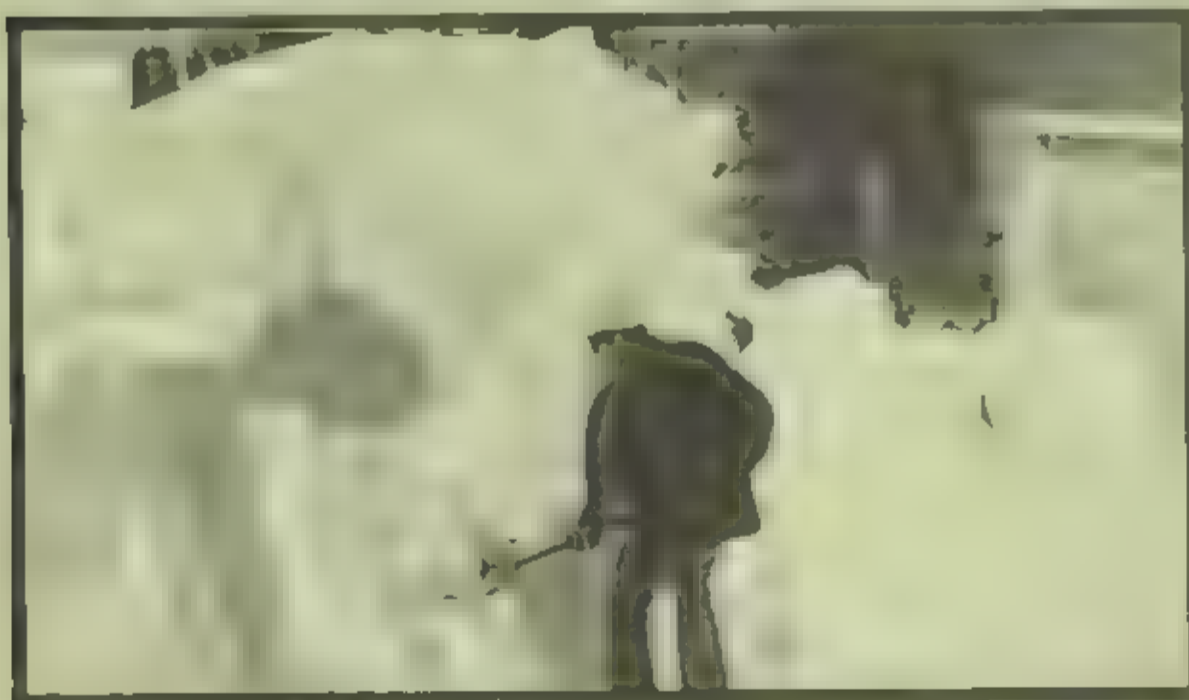

Some cars were buried.

Snowed out of the way.

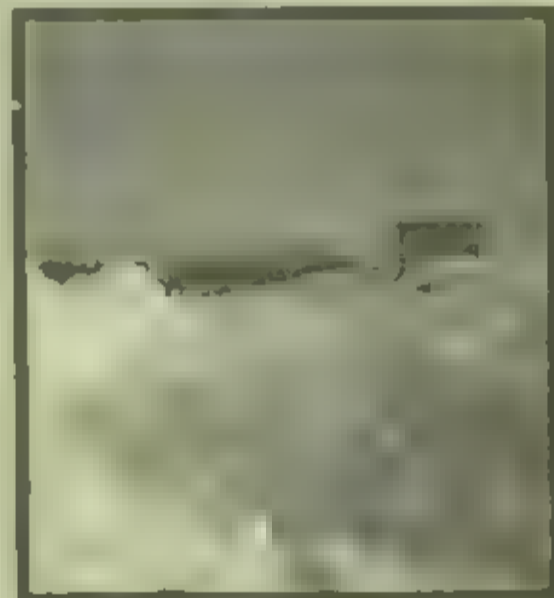

It took a lot of effort.

Terry Johnston tackled an almost impossible task.

Early in the morning of January 26, 1978, Mother Nature visited the area with 70 MPH winds and "about" ten inches of snow, which accumulated in drifts high enough to bury houses and cars. Jackson Center residents will long remember this blizzard and its effects on our lives.

Mrs. Mann's house? It must be — there's the chimney!

Could this be N. Main St.?

As the 1977-78 school year approached its end, our students were occupied by spring sports and many other varied events.

In April we were entertained by the professional football players from the Bengals and Steelers. In May, we enjoyed many events including the Prom, Afternoon With the Arts, the Awards and Senior Assemblies, and were entertained by the speech class when they presented a play, *Snowy White and the Seven Dwarfs*.

As the hot summer days approached, we went outside as much as possible and had our last views of the Haas building, which was soon to be leveled by a wrecking crew.
